## DCS EMPLOYEE OF THE MONTH

### MARCUS JOHNSON

Please join us in congratulating Marcus Johnson Logistic Supply Technician at Ft. Bliss, TX, for being awarded the March 2020 Employee of the Month!

Living the DCS values, Marcus is recognized for his hard work and dedication for Desert Defense. He is always going above and beyond to please the customer and get the

mission done quickly. Mr. Johnson has the role of assisting Field Service Representatives (FSR) in conducting inventory and maintenance checks on all UTC's for a net worth of \$250 million. He is an asset not only to DCS but to all personnel working the mission at Ft. Bliss. Mr. Johnson's Team Leader receives nothing but, praise from his co-workers and leadership on his excellent performance. Marcus embraces the team concept, covering for other areas on the supply side and managing the Speed Issue System without discrepancies. In only 4 months at Ft. Bliss he has shown that the DCS values run through his blood **Capable...Credible...Competent**

# PATRIOT'S POINT

## **LIEUTENANT COMMANDER (Ret.) EDDIE DAVIS**

LCDR Eddie Davis served in the US Navy for 28 years. He joined the Navy as an E-1 and rose through the enlisted ranks. As an enlisted Master-At-Arms, he performed Law Enforcement, Physical Security, Investigations and Training roles at Naval Air Facility Misawa Japan, NAVCOMTELSTA Dededo Guam, NAVCOMTELSTA Wahiawa Hawaii. LCDR Davis also served on the USS Tripoli (LPH 10) San Diego CA and the USS Fort McHenry (LSD-43) Sasebo Japan. While serving as the Chief Master-At-Arms onboard the USS Fort McHenry, he was selected for commission as a Limited Duty Officer (LDO) Ensign and completed the Navy's Officer Indoctrination Course. LCDR Davis reported to Naval Support Activity Naples, Italy as the assistant Security Director responsible for the Security Operations and Force Protection efforts at a major overseas installation. He reported onboard the Aircraft Carrier USS Constellation (CV-63) in San Diego, CA as the Security Officer deploying to the Middle East. Additionally, he served as the AT/FP Training Division Officer at Afloat Training Group San Diego responsible for training third fleet ship personnel in AT/FP and Visit Board Search and Seizure (VBSS) prior to deployment. His next tour took him to Commander Navy Region Southeast, Jacksonville, FL as the Region AT Officer and then onto NSB Kings bay, GA; one of only two Nuclear Submarine bases in the US, as the Security Director. After that tour he served onboard the only forward-deployed nuclear Aircraft Carrier the USS George Washington (CVN-73) based in Yokosuka, Japan. LDCR (Ret.) Davis reported to NAS Jacksonville, as the Security Director and there he retired. During his career he also served as an Individual Augmentee at Joint Detention Operations Group Guantanamo Bay Cuba as a Company Commander and Detention Operations Officer. He also augmented the NATO International Security Assistance Force in Kandahar, Afghanistan assigned to the British Element as the Base Security Officer. For his superior service, he was awarded the Defense Meritorious Service Medal, Joint Service Commendation Medal, Navy Commendation Medal (4 Gold Stars), Navy Achievement Medal (4 Gold Stars) and various other campaign and service decorations and awards. LDCR (Ret.) Davis earned his Master of Science Degree and is certified with the American Society for Industrial Security, as a Certified Protection Professional (CPP). LCDR (Ret.) Davis currently works for Tamarack Technologies, Inc. as a Program Analyst in supporting US Navy AT/FP programs.

## JUST RELEASED ARMY UPDATES

### U.S. Army Counterintelligence update

\*\*\*Per OPMG: DCS has been given the green light to press forward with the following credentialed 35L, 351L, or 35E series counterintelligence (CI) agents' applications\*\*\*Regardless of the Soldiers' current assignment, for the purpose of this directive and 18 U.S.C. § 926B(c)(2), Soldiers in the 31 series military occupational specialty; credentialed 35L, 351L, or 35E series counterintelligence (CI) agents; and Department of the Army Civilian Police (DACP) who meet all other requirements under 18 U.S.C. § 926B(c) will be considered "authorized by the Army to carry a firearm." While these individuals are considered to be "authorized by the Army to carry a firearm," this does not amend already established law and policy, including procedures in Army Regulation 190-14, governing the process of when and how military police, credentialed CI agents, and DACPs are armed. That is, "authorized by the Army to carry a firearm" means the individual is eligible to carry; it does not necessarily mean they are approved to carry

## RECENT ARMY CHANGES

**MEDICAL LETTER:** DCS also received guidance from OPMG that the "Medical Letter Requirement" for Retired/Separated applicants who separated due to a service connected disability has officially been lifted

**TRAINING CERTIFICATE:** DCS is no longer checking Army Training dates through Army Training Requirements and Resources System (ATTRS).

**Now Army Applicants must include with their applications the following:**

**For 926B, Active applicants:** "Copy of their USAMPS certificate to validate the completion of authorized/accredited MP/LE training. This can consist of any academy that the U.S. recognized as valid at the beginning of their Law Enforcement career. For civilian officers, Federal Law Enforcement Training Course (FLETC) or other Army recognized formal training school (i.e. civilian Academy) is acceptable.

**For 926C, Retired/Separated applicants:** "DD-214 (member 4 copy) indicating the USAMPS training date annotated in the education block, NGB 22, last SF-50 or other service documentation showing performance as a Military Police or DA Civilian Police member. For civilian officers, FLETC or other Army recognized formal training school (i.e. civilian Academy) is acceptable. If there is no school listed in the education block, applicants must submit a copy of their USAMPS certificate to validate the completion of authorized/accredited MP/LE training. This can consist of any academy that the U.S. recognized as valid at the beginning of their Law Enforcement career.

**Both:** "If the applicant does not have a copy of the graduation certificate, they must provide a personnel or training document, which includes an annotated training date (obtained via iPERMS, OMPF, SRB (ERB), etc.)."

## NAVY LEOSA

926B - Applicants, please remember to include both parts of your Commander's Endorsement Letter.

1. The top portion that you insert your training date and your signature.
2. The bottom portion where your commander puts his/her signature.

**Note:** ALL Navy applicants must include the SECNAV 5580/1 with the DCS application. A sample Commanding Officer Letter of Verification (NOT page 3 of the 5580/1) is also located on the [CNIC](#) website.

## AIR FORCE RENEWALS

Renewals will require updated personal information, a new passport style photo, Endorsement letter for 926B cards, or a new FBI Identity History Summary for **Air Force 926C** card holders.

**NOTE:** The issuance/expiration date of renewed cards will be the same month/day as the initial card unless the application is received AFTER the initial issuance date.

## NEW WEBSITE INFO

**ALL USERS WILL NEED TO CREATE A NEW ACCOUNT ON THE UPDATED WEBSITE!** If you submitted a COMPLETE online application before the update, your application and status will not be visible on the new website. **YOUR APPLICATION AND PAYMENT DID NOT DISAPPEAR.** If you did not complete your application before the update, you will need to start again on the new website.

## COVID-19 FAST FACTS

What Law Enforcement Personnel Need to Know about Coronavirus Disease 2019 (COVID-19): Per the Center for Disease Control, law enforcement who must make contact with individuals confirmed or suspected to have COVID-19 should follow [CDC's Interim Guidance for EMS](#). Different styles of PPE may be necessary to perform operational duties. These alternative styles (i.e. coveralls) must provide protection that is at least as great as that provided by the minimum amount of PPE recommended. The minimum PPE recommended is:

A single pair of disposable examination gloves, disposable isolation gown or single-use/disposable coveralls\*, Any NIOSH-approved particulate respirator (i.e., N-95 or higher-level respirator); facemasks are an acceptable alternative until the supply chain is restored, and eye protection (i.e., goggles or disposable face shield that fully covers the front and sides of the face) \*If unable to wear a disposable gown or coveralls because it limits access to duty belt and gear, ensure duty belt and gear are disinfected after contact with individual.
